M.S. in Economics and Policy Analysis - GPA: 3.73/4.0

Chicago, IL

2017

University of Missouri

B. Sc. in Economics - GPA: 3.55/4.0

Minors in Mathematics and Business Administration

Columbia, MO

2016

Experience

Federal Reserve Board of Governors

Senior Research Assistant, Consumer Finance - Research & Statistics

Washington, DC

June 2018 - Present

Policy

- Contributed to Tealbook, Quantitative Surveillance, Financial Briefings to Governors and ad-hoc policy projects.
- Collaboratively produced the G.19 Consumer Credit (Principal Economic Indicator), G.20 Finance Companies, and Finance Company Balance Sheet statistical releases.
- Maintained Board-wide Prediction Poll surveying staff on their predictions of various economic indicators, stored predictions in SQL databases, and produced reports and visualizations.
- Served as a lecturer and member of the content committee for the Board's Econ181 course on Statistical Programming and Financial Literacy in R.

Research

- Developed a program to download and merge Community Reinvestment Act data with FDIC Summary of Deposits data and calculate the geographic distance from all branches to county and census tract centroids for use in studying average bank lending distance.
- Contributed to the development of an algorithm identifying household formation within the FRBNY/Equifax Consumer Credit Panel to study household credit allocation with Dr. Li Geng.
- Utilized J.D. Power PIN data to document usury ceiling circumvention in Arkansas automobile sales alongside Dr. Gregory Elliehausen and Simona Hannon.
